**GENERAL NOTES FOR THE
GUIDANCE OF MEMBERS**

The Clubhouse:

The Clubhouse is operated by the Hervey Bay RSL under a Lease granted by the Golf Club.

Accordingly, the facilities provided within the Clubhouse and the conduct of members is controlled by the RSL.

However, the Golf Club has a Clubhouse Services Agreement with the RSL to ensure appropriate Clubhouse services are provided.

Financial members of the Golf Club are automatically members of the RSL and entitled to the privileges of membership of Hervey Bay RSL at their venues at the Golf Club and at the Pialba RSL Club and also receive an RSL membership card as a consequence of their Golf Club membership.

Financial Status:

Course facilities are available at the prescribed times, only to Members financial within the terms of the Club's Rules, and to visitors duly registered for the day and for whom the appropriate fees have been paid.

Club Membership:

The enjoyment of Golf depends a great deal on the co-operation, consideration and courtesy extended by fellow competitors.

The standard of a Golf Club may be judged by the etiquette of its Members. It is always better to give a point rather than take one.

Dress:

Casual dress is permitted on the practice fairways and in the sports bar. Regulation dress is otherwise required for both men and women in accordance with our Club dress code.

General:

(a) In no instance shall an employee of the Club be directly reprimanded by a member.

(b) All complaints concerning Club employees, Management or matters of management shall be made to the Secretary, in writing, to be submitted to the Management Committee.

Club Professional:

Our Club has the services of five (5) Professionals available for member's assistance. It is requested that all members

support them by purchasing from their ample range of stocks from the Pro Shop or the House of Golf.

Tuition may be arranged by appointment by phoning the Pro Shop on 4128 4249 or The House of Golf on 4124 8555.

Purchase of Balls: Members must not purchase balls from caddies, employees or any other person on the course.

Timesheets:

No member shall change any other member's time to play on the time sheets. No member shall book in more than one four. Members of recognised Golf Clubs **must** produce evidence of membership and current handicap to play in Club Competitions.

Remember to remove your name from the timesheet or ring the Pro Shop on the day if you can't play to allow another member the opportunity to play.

The Course:

The following courses are now in play:-

Men: The men's courses to be played are as shown on the daily score card (Either **black** or **blue**).

Ladies: The ladies courses to be played are as shown on the daily score card (Either **red** or **yellow**).

All social play is from the white markers only.

Rules of Play:

All players are required to report to the Pro Shop 15 Minutes prior to hit off time.

When the starter calls groups to the tee the following is expected; when "get ready for the tee" the group **must** proceed to the teeing area. When "on the tee" that group **must** be on the tee ready to hit off.

Pace of play: There is no time limit on a game of golf. ***The one and only rule is to keep up to the group in front.*** That means that you are not still on the tee when the group in front is on the greens when playing par 4's. If you fall behind for

one reason or another, *please* make the effort to catch up (see under Etiquette of Golf).

A copy of the Rules of Golf should be carried at all times.

All complaints are to be lodged, in writing, with the Match Committee, within 30 minutes of finish of play.

No Member can win more than one major trophy in any event including Championships.

If you have a probable winning score, please make every effort to attend presentation.

Bunkers: Players must repair all damage they have done by raking foot and divot marks. Please leave rakes in the middle of bunkers in the direction of play.

Motorised Conveyances: All motorised conveyances are to be kept 15 metres from any green or bunker. Please drive on sides of fairways as much as possible.

Etiquette of Golf:

All players must carry their own set of clubs.

Sand buckets must be carried and used at all times.

Repair divots by knocking in edges and fill with sand.

Ready Golf is officially adopted by this Club:

If you are ready to hit and you are not interfering with your playing partners' line of play etc, then HIT. This will speed up play.

Proceed briskly to the teeing area and hit your tee shot, *then* mark your score card.

If you can no longer score on a hole you should pick up (ie; Stableford Competitions). Walk briskly between shots.

Do not hit up on players in front.

Golf should be played at a steady pace. The ideal game would be that you walk to your ball, select your club and hit.

NO WAITING.

Players who continually offend with slow play will be penalised, as per the Rules of Golf.

The lowest marker in the group must ensure that their group observes all points.

1. Order of Play:

Social round players must give way to competition players at all times.

2. Control of Games:

The control of the despatch of the field shall rest in the hands of the Starter and Match Committee.

3. Visitors entering Club Competitions:

- 3.1 Visitors, including members of reciprocal clubs, may not win "**donated**" trophies in members' single event competitions unless the event is specified as OPEN.
- 3.2 Two such visitors playing together as partners may not win "**donated**" trophies in any four ball event unless the event is specified as OPEN.
- 3.3 Visitors shall be eligible to win "club" trophies in any single event or, if partnering a member in a 4B event shall be eligible to win both donated and club trophies.
- 3.4 The Members' Monthly Medals are only available to Ordinary members even though any other trophy for the day may be awarded to a visitor in accordance with para 3.3.

Pro Pin Shots are to be picked up from the PRO SHOP.

The Committee expresses its appreciation of the generosity of all trophy donors.
