

**THE ANNUAL KERRY CAMPBELL CITY OF HERVEY BAY OPEN
& THE HERVEY BAY MID AMATEUR thanks to “THE
CLUBHOUSE” COMBINED EVENTS**

When; the weekend of October 12th & 13th.

The “Open” has been supported by Kerry Campbell for more years than I can remember and it is one of the most sought-after titles in the Wide Bay. With the inaugural HB MID AMS kicking off last year after a weather postponement we are hoping for this years’ event to attract even more interest this year. Once again, “The Clubhouse” has thrown their support behind the event.

The major difference in the Mid Am is that the divisions are not decided by handicaps as most amateur tournaments are, they are decided by age groups! It is not open to players under 30 years old either!

30 – 44.....Lower

45 – 54.....Upper

55 and Over.....Seniors

Most Mid Am tournaments progress to the stage where they have handicap limits as well; at this stage we do not have such limitations. Doesn’t matter what your handicap, you enter into your appropriate age group.

Sat Oct 12th; one day event HB Open Single day fee \$25

Sat & Sun Oct 12-13th HB open plus two day Mid Am event fee \$70 inc meal Sat night.

Talk to the Pro Shop about nominations.
