GENERAL NOTES FOR THE GUIDANCE OF MEMBERS

(COVID-19 dependant)

'The Clubhouse':

'The Clubhouse' is operated by the Hervey Bay RSL under a Lease granted by the Golf Club.

Accordingly, the facilities provided within the Clubhouse and the conduct of members is controlled by the RSL.

However, the Golf Club has a Clubhouse Services Agreement with the RSL to ensure appropriate Clubhouse services are provided.

Financial members of the Golf Club are automatically members of the RSL and entitled to the privileges of membership of Hervey Bay RSL at their venues and receive an RSL membership card.

Financial Status:

Course facilities are available at the prescribed times, only to members financial within the terms of the Club's Rules, and to visitors duly registered for the day and for whom the appropriate fees have been paid.

Club Membership:

The enjoyment of golf depends a great deal on the co-operation, consideration and courtesy extended by fellow competitors.

A Golf Club may be judged by the etiquette of its members. It is always better to give a point rather than take one.

Dress:

Casual dress is permitted on the practice fairways and in the Sports Bar. Regulation dress is otherwise required for both men and women in accordance with our Club dress code.

General:

(a) In no instance shall an employee of the Club be directly reprimanded by a member.

(b) All complaints concerning Club employees, Management or matters of management shall be made to the Secretary, in writing, to be submitted to the Management Committee.

Club Professional:

Our Club has the services of two (2) Professionals available for member's assistance. It is requested that all members support them by purchasing from their ample range of merchandise in the Pro Shop. Tuition may be arranged by appointment, by phoning the Pro Shop on 4128 4249. Members must not purchase balls from caddies, employees or any other person on the course.

Timesheets:

No member shall change any other member's time to play on the time sheets. No member shall book in more than one group of four.

Members of recognised Golf Clubs *must* produce evidence of membership and Golfink details, including current handicap, to play in Club Competitions.

Remember to remove your name from the timesheet or ring the Pro Shop if you cannot play, to allow other members the opportunity to play.

The Course:

Men: The men's courses to be played are as shown on the daily score card as either Black or Blue.

Ladies: The ladies courses to be played are as shown on the daily score card as either Red or Yellow.

All social play is from the white markers for men. Ladies play from yellow markers, if no yellow is available, red markers may be used.

Rules of Play:

All players are required to report to the Pro Shop a minimum of 15 minutes prior to hit their scheduled tee-off time.

When the starter calls groups to the tee;

'Get ready for the tee'. Those players must proceed to the teeing area. 'On the tee'. That group must be on the tee ready to hit off.

Pace of play:

Keep up with the group in front of you. We are a **READY GOLF** Club which simply means, 'hit up when ready', as long as it is safe to do so. Ensure you are clear to play and not interfering with other player's line of play etc. Disregard the traditional 'furthest from the hole plays first', except in Matchplay competitions.

A copy of the Rules of Golf should be carried at all times.

All complaints are to be lodged, in writing, with the Match Committee, within 30 minutes of finish of play.

No Member can win more than one major trophy in any event including Championships.

If you have a probable winning score in a Championship event, please make every effort to attend presentation.

Bunkers:

Players must repair all damage they have done by raking foot and divot marks. Please leave rakes in the middle of bunkers in the direction of play.

Motorised Conveyances:

All motorised conveyances are to be kept a minimum 15 metres from all greens and bunkers. Please drive on the sides of fairways or on designated cart paths if possible. Observe all direction signage.

Etiquette of Golf:

All players must carry their own set of clubs and a sand bucket. Repair divots by knocking in edges and fill with sand. Fill plug marks on greens.

Pick up if you can no longer score on a hole. (Stableford & PAR Competitions). Walk briskly between shots.

Players who continually offend with slow play will be penalised, as per the Rules of Golf.

The lowest marker in the group must ensure that their group observes all the above points.

1. Order of Play:

Social round players must give way to competition players at all times

2. Control of Games:

The control of the despatch of the field shall rest in the hands of the Starter and Match Committee.

3. *Visitors entering Club Competitions: (See note p10)

- 3.1. Visitors, including members of reciprocal clubs, may not win "**donated**" trophies in members' single event competitions, unless the event is specified as OPEN.
- 3.2. Two such visitors playing together as partners, may not win "**donated**" trophies in any fourball event, unless the event is specified as OPEN
- 3.3. Visitors shall be eligible to win "Club" trophies in any single event or, if partnering a member in a 4B event shall be eligible to win both donated and Club trophies.
- 3.4. The Members' Monthly Medals are only available to Ordinary members even though any other prize for the day may be awarded to a visitor in accordance with paragraph 3.3.

Pro Pin Shots (NTP's) are conducted by the PRO SHOP.

*The Committee expresses its appreciation
for the generosity of all
sponsors & trophy donors.
Please support them*
