## **Permanent Local Rules**

**To be read in conjunction with the rules of golf and temporary local rules displayed on the notice board and in the pro shop.**

### **1. OUT OF BOUNDS (OOB) (Rule 18.2)**

Out of bounds is defined by the inside line of boundary fences, poisoned and painted lines, white stakes with black tops or marked OOB.

### **2. PROTECTION OF YOUNG TREES (Rule 16.1f)**

Any planted tree, shrub or brush in the general area marked with a white stake is a no play zone. If such a tree, shrub or bush interferes with the player's stance or area of intended swing, free relief must be taken under Rule 16.1f.

### **3. IMMOVABLE OBSTRUCTIONS (Rule 16.1)**

The following are immovable obstructions: -

- a. All stakes (including penalty area stakes), GUR pegs and roped off area stakes, tee and distance markers, hoops and cart direction signs, logs, seats, signage, sprinkler control boxes, metal grates and all other permanent fixtures.
- b. Cart paths as defined by blue metal or concrete.

- c. Weather station and material storage area between the 3rd and 18th fairways.
- d. Fixed sprinkler heads.

For a ball in the general area, the player may take relief under rule 16.1b if an immovable obstruction is on the line of play, within two club lengths of the putting green and within two club lengths of the ball. No relief is available if the player chooses a line of play that is clearly unreasonable.

#### **4. GROUND UNDER REPAIR GUR (Rule 16.1)**

Areas marked with white lines and/or stakes or signs are GUR.

- a. Free relief may be taken under (Rule 16.1)
- b. Areas marked as “Compulsory GUR” are No Play Zones
- c. Relief must be taken in accordance with rule (16.1f)

When a ball enters the GUR area between the blue stakes behind the greens of holes 2, and 16, in addition to the relief available under (Rule 16.1), the ball may be dropped in the nearest dropping zone (Blue Square) without penalty.

The dropping zone is a relief area available under (Rule 14.3).

## **5. PENALTY AREAS (Rule 17)**

Yellow Penalty areas are defined by yellow stakes and/or yellow lines and Red Penalty areas are defined by red stakes and/or red lines. When a ball enters the penalty area players may under (Rule 17) choose to play the ball where it lies or take a drop with a one stroke penalty. When a ball enters the penalty area between the blue stakes behind or adjacent to the greens on holes 2, 5, 13, 14 and 16 in addition to the relief available under Rule 17.1, the ball may be dropped in the nearest dropping zone (Blue Square) for one penalty stroke. The dropping zone is a relief area under rule 14.3.

## **6. BARE PATCHES**

Bare patches in the general area cut to fairway height or less are ground under repair (GUR). The player might take free relief under Rule 16.1b

## **7. KANGAROO MARKS IN A BUNKER**

Damage that is clearly identifiable as having been caused by a kangaroo in a bunker is GUR. If the player's ball comes to rest in damage caused by a kangaroo in a bunker, free relief may be taken in the bunker under Rule 16.1c

## **8. MOBILE PHONES**

Mobile phones during competition play should be on silent. Where a player must operate a mobile phone during a round, it should be done in such a way as to show consideration to others. Rule 1.2 Standards of Player Conduct apply.

## **ADVISORY NOTES DISTANCE MARKERS**

Distance markers stakes indicate either 100m, 150m or 200m from the centre of the green. Where distances are marked on sprinkler heads, they are measured from the centre of the green.
